Individuals

“ OBJECTIVE

- **A.A.S.C's Finance & Accounting Small Business Program** is here for you!
- You maybe a little nervous about the risks of going into accounting business for yourself or you're wondering if the advantages of Freelancing are worth the hard work that goes into owning your Accounting Firm.
- Looking at the pros can give you the confidence to make the right career move towards self-employments.

Small Business

Core Advantages to Become a Freelance Accountant

1. Flexibility

You can design your schedule rather than have a private firm dictate it to you.

2. Independency

One can be independent, or one can be subject to decisions made by others. By becoming a Freelance Accountant & finance. you will be your own decision-maker.
